Bad to the Balloon follows a renegade biker balloon artist (Mark Byrne) as he teaches how to make balloons cool. His goal in creating balloon hats is to make them fast and make them great. Most hats take 45 seconds to 2 minutes to create. There is a detailed twist menu for beginners. If you can make a decent teddy bear, you can do most of the balloons on this DVD!

Intermediate and advanced twisters will love the flow and ease of this learning style. Unlike any other balloon DVD filmed, it has original music and location shots for each figure.&nbsp;
