

## Clown Props, Gags & Books

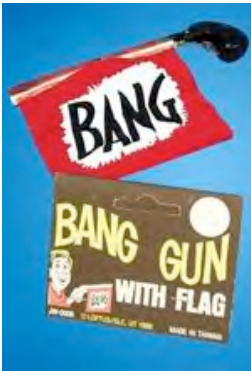

### ANACONDA (Watch Video)

There are many snake guns of different types but this one is special because your helper can hold it and fire it and when they do &nbsp;LOOK OUT !!! because it ejects &nbsp;a GIANT SNAKE 30&nbsp;FEET&nbsp;LONG&nbsp;with moving eyes and a long red tongue  
A very funny gag which can be used in many ways

\$ 169.95

### Bang Flag Gun - jokes and novelties

Pull the trigger a banner comes out with words BANG! Use again & again!

\$ 1.75

### Bang Rat Trap

&nbsp;When the magician or clown places his hand into a prop or paper bag, a loud bang is heard by the audience. Ther performer removes his hand from the bag, but now is suddenly caught in a rat trap. Great visual comedy.

\$ 10.95

### BLACK HAND GAG TOWEL

Here is the type of humor that will be appreciated by everyone. An assistant from the audience is called upon to help you. Before they touch your props, they are asked to wipe their hands on a towel given to them. The towel is shown to be clean on both sides. After the assistant wipes their hands the towel is covered with Black Hand marks. This is guaranteed to get you a big laugh. Towel may be used over and over again.

\$ 12.95

### Break and Snake Tray (watch video)

When you hand the tray to your helper you have three cups or other props on the tray. You ask them to name one and tell them DO NOT TOUCH IT! As you start to go away the tray breaks open and FOUR giant, colored SNAKES jump into the air...all the props fall to the floor with a loud clattering noise. You can do it again AND AGAIN IT IS EASY TO RESET. A WONDERFUL RUNNING GAG, EVERY TIME YOU WALK AWAY THE CUPS OR PROPS FALL TO THE FLOOR, but without the snakes just the props. A very very funny prop. You can use it as a normal tray until you want it to ERUPT! Ideal for adults or children. Remember the tray is only FOUR AND A HALF CMS THICK and can sit on your table FLAT. The snakes are very soft and are entirely safe for the children. Can also be used in your adult show...I DO! Note the cups are not included Tray Dimensions(H x W x L) Approximately 1.75" x 9" x 18.5" (4.5cm x 23cm x 47cm) Snake Length Approximately 48" (122cm)

### BREAKAWAY FAN (comedy magic)

A classic comedy prop. When the magician opens the fan, all is well. He uses it to make magic. But when the volunteer opens the fan, it falls apart! The fan is under the control of the magician at all times. Cloth and metal construction. Works smoothly.

\$ 10.95

## Breakaway Plastic Bottles

Our bottles are the same as used in the movies. Looks like real glass. Available in Wine or Whiskey.

&nbsp;

\$ 49.95

## Breakaway Wand

Give this magic wand to a spectator where it instantly collapses in their hands. A hilarious gag. May also be used as a regular magicians wand. Great for magicians, clowns, mcs, and comedy entertainers. [Click here to see a video performance of this effect in action!](#)

\$ 4.95

## Bug Eyed Binoculars

9 IN. X 14 IN. Foam rubber with bug eyes that look in different directions. These colorful binoculars are large enough to be seen at a great distance. Colors may vary.

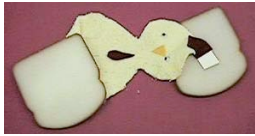

\$ 26.95

## Cane Squeaker

Squeaker Cane - 30" plastic cane with squeaker at the end.

\$ 4.95

## CHICKEN SANDWICH

This is a great prop for either a clown, M.C., or magician. Anytime during your act you ask a member of the audience if they are hungry? You produce from your pocket a "chicken sandwich". This is a sandwich made from foam which contains a Terri cloth scrawny chicken inside. Very funny!

\$ 5.95

## Clown Act Omnibus

A very nice collection of clown skits (over 200), for beginners, intermediate & advanced, both individuals and for groups. Acts are classified by type, equipment needed, gymnastic skills, and practice required. The book also includes instructions on the making of some basic props for clowning and magic acts as well. The book is divided into nine sections, and they cover: Clowning as an Art, Pantomime, Clown Types, Costumes, Make-up, Suggestions for Programming, Production Ideas, Properties and Stunts.

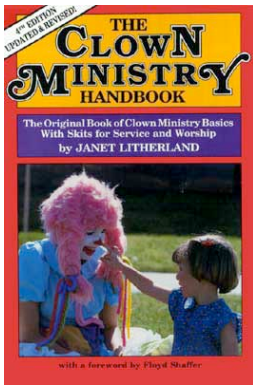

\$ 16.95

## CLOWN IN YOU by RICHARD "SNOWFLAKE" SNOWBERG

What is a clown? How do clowns act? Where can I purchase clown essentials? Am I too old or too young to be a clown? These questions and more are answered in this book by Richard "Snowflake" Snowberg. It takes the reader through a detailed but easily read instructional guide to clowning. One-hundred-twenty pages and plenty of photographs.

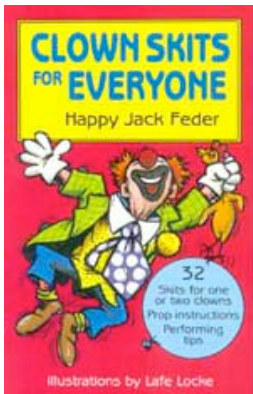

\$ 10.95

## Clown Ministry Handbook by Janet Litherland (book)

Excellent book, highly recommended. Covers everything you need to know. Technique, skits, wardrobe and props. 145 pages. Soft bound.

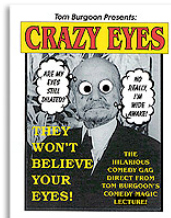

\$ 18.95

## Clown Skits for Everyone by Happy Jack Feder

Clown Skits for Everyone, by Happy Jack Feder, is an excellent resource. It contains a (very) short introduction on make-up & clown character, & then launches into the meat of the book - a collection of skits suitable for one and/or two clowns. Some skits are 'classics', while others are variations. All are funny and quite 'do-able' even for beginning clowns. The book is interspersed with nuggets about character, character development, entertaining, working with other clowns, audience control, etc.

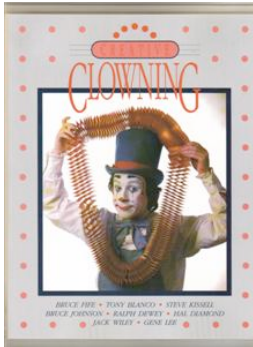

\$ 14.95

## Crazy Eyes by Tom Burgoon

These goofy looking eyeballs will shock your audience into hysterics. World renowned comedy magician Tom Burgoon brings you a unique way to get your audience rolling straight from his comedy lecture. The possibilities for this hilarious site gag are endless.

\$ 8.95

## CREATIVE CLOWNING

At last, a book on clowning that leaves no stone unturned. Compiled and edited by Bruce Fife with significant contributions by Tony Blanco, Steve Kissell, Bruce Johnson, Ralph Dewey, Hal Diamond, Jack Wiley and Gene Lee. The book is directed toward teaching the reader not just how to perform clown type skills, but how to perform them in a funny and entertaining way. Large size - softbound.

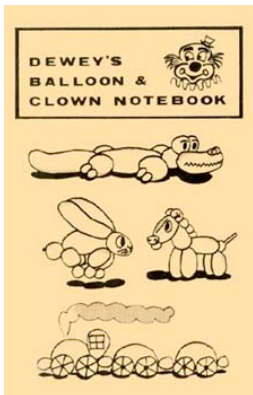

\$ 23.95

## Cut And Restored Tie (watch video)

View ClipEffect&nbsp;This is" A CUT ABOVE THE REST" the best cut and restored tie we have ever seen! You can use the SAME TIE OVER AND OVER AGAIN! And the cutting and restoring is done in front of the audience NO CHANGE BAGS and NO EXCHANGE IN YOUR POCKET. You hold a piece of paper in front of your tie and ask a helper to cut the paper across, he does this and when you take the two pieces of paper away you have one piece in one hand and one piece and the cut tie in the other!!!! HORROR! You cut my tie! All that is left is the knot and a very short end. After much by-play you just stroke the front of your shirt where the old tie was and a new tie APPEARS! As if by MAGIC.....yes MAGIC. Another way is to have a stooge wear the tie , and it would look as if you were cutting off the tie from a member of the audience.....and then you could restore it ! This IS FANTASTIC comedy and WONDERFUL MAGIC.Available in red, blue and yellow.

\$ 39.95

## DEWEY'S BALLOON & CLOWN NOTEBOOK

A balloon book with clowns in mind. Contains new balloon creations, toys and some "bits of business." Includes a ventriloquist rabbit, a swan that lays an egg, Bugsy Bunny, a Choo Choo train, and plenty more. Some easy and some advanced creations.

## GIANT SUNGLASSES

Huge sunglasses that will be noticed at great distances! Funny and practical too! Wear them at the beach or pool and watch the reaction! Bright colors, each packed in a poly bag.

\$ 1.95

## Gotcha!

A gallon paint can is displayed along with a paint brush shown to be normal on both sides. The magician/clown/emcee opens the top of the can and "dips" the brush into the can and upon removal the audience can see paint on the brush. The brush is placed off to the side. Performer then picks up the can, walks to the edge of the stage, and throws the paint towards the audience - out comes a long cloth 4" wide fabric streamer! Just then performer turns can around and the word "GOTCHA!" is shown. This is a terrific prop for magicians, clowns, emcees, etc. Comes complete with can, lid, cloth streamer, special brush, and complete instructions and routine.

\$ 32.95

### Growing Clown Glove

Performer removes his left glove, but when he removes his right glove, a 6 FT. sleeve comes with it. Professional quality! Great for clowns or magicians.

16" Brass authentic old-fashion taxi horn.

\$ 18.95

## Tricks 4 Food by Tom Vorjohan

In front of the audience you edit and morph the words of your latest promotional poster as you fold it down to the essence of your needs: "WILL DO TRICKS FOR FOOD" This prop is made to last, gets great laughs every time, and Packs small, but Plays BIG!!

\$ 18.95

## Wand to Snake by Derek Rutt (watch video)

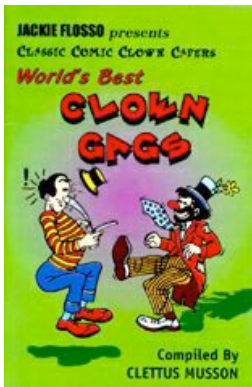

Wand to snake with the wooden wand is the original "wand to snake" and made and conceived in its present form by myself.

The Derek Rutt " Snake" .is&nbsp;on&nbsp;average&nbsp;4feet 4 inches long and 2.4 inches in diameter.

This is a normal magic wand until you hand it to your helper when suddenly it turns into a LARGE SNAKE!!!! We can assure you that your helper will be TOTALLY SURPRISED and the audience will erupt into laughter.....Due to the sudden shock. Not only can you use it in your childrenshows ,but in the adult shows as well. Just hand it to a lady AND SEE WHAT HAPPENS!!!!!!
