

## Magic Sets

### Classic Mysteries of the Master Magicians (240)

This set is the perfect introduction to magic!

The "Classic Mysteries of the Master Magicians" magic set makes an excellent gift for magicians of all ages. The set features tricks that are magical classics. Professional magicians selected time-tested tricks that are easy to do, yet completely baffling.

Each set comes complete in a gorgeous four-color box, packed with magic! You'll find props and instructions for over 75 amazing tricks. Basic sleight of hand is taught, as are many baffling, nearly self-working tricks in the miracle class! Included are the following popular Royal Magic products:

- Ball Vase
- Cups and Balls
- Prayer Vase
- Hydrostatic Glass
- Spiked Coin
- Alexander's Number Mystery
- Houdini's Handcuff Escape
- And much, much more!

The thorough, well-written and profusely illustrated instructions book accompany the set makes learning these tricks easy. A bonus book, "50 Amazing Illusions," is also included, detailing easy tricks anyone can do with little or no sleight of hand, or special equipment.

The "Classic Mysteries of the Master Magicians" magic set is proudly made in the USA.

## Deluxe Legends of Magic Set from Fantasma

Weighing in at over 10 pounds, the Fantasma Legends of Magic DVD Set is certainly one of the heaviest sets ever created and filled with quality magic. Not only can you perform over 200 great effects but the box that the magic comes in turns into an elegant large table to perform your magic upon. The most amazing part is that the table is also a working illusion. You can vanish or produce your favorite plush toy or even switch objects and toys. Change a toy frog into prince or make dirty socks become clean! The amount of ideas possible with this utility illusion box is only limited by your imagination. Also included are quality magic props such as Production Tubes, Phantom Deck (a new improved rough and smooth Svengali), Chinese Sticks, Puzzle Box, Metal Linking Rings, Drawer box and more! Beautiful packaging- the perfect gift item! Also included is a poster of ten master magicians - the Legends of Magic. The poster as well as being collectable has also been designed to include a built in trick utilizing these magicians. Finally, a 60 minute DVD is included containing rare and enhanced footage of magic's Legends such as: Houdini, Blackstone, Slydini, Flosso, Buckingham, Goldin, Kalanag, Pollock, Vernon and more... The dvd also teaches most of the effects in the set. The instructional part of the dvd stars the entertaining Simon Lovell. Simon also has written the illustrated instructional manual along with the Fantasma Creative Team offering new ideas with classics. The Fantasma Legends of Magic DVD Set is the perfect holiday gift for the beginner or collector! Imagine this large heavy set wrapped up under the Christmas tree. Any kid (big or small) will be overwhelmed with such a gift!
