### Poster Decals - Mini (SET OF 17) MAGICIANS OF PAST

A set of 17 miniature posters, about 6" high, of some of the most famous magicians of yesteryear. These are full color replicas of the originals, and selected for their attractive magical theme, and decorative as well as historic value. Magicians can put them to a variety of uses, as collectibles, or to decorate their magic dens, showcases or book cases. You can use them to decorate large props, like cabinet doors or cylinders, and production boxes. You can use them to make your own personalized Greeting Cards, or book plates. You will love these (they are just a first in a series, and we will be introducing many more of these in the near future). Produced on non tear plastic film, they will not tear like paper decals, and they are pre gummed for instant application.
